
KODA Kazura

Project Manager, Mitsui O.S.K Lines, Ltd.

Nationality

Japanese

Career History

Kazura has been a General Manager of Mitsui O.S.K. Lines, Ltd.(MOL)'s Carbon Desk since April 2023. She joined MOL in 2011 and began her carrier in the Tanker Division where she worked as an operator of vessels transporting oil products. After four years, she was moved to the LNG Carrier Division and engaged in sales and business developments with customers and partners based in the Middle East and Europe for six years.

In 2021, she participated in MOL's corporate venturing program and launched the Carbon Desk to lead the company's voluntary climate actions with investments and offtakes of Carbon Direct Removal at its core.

She has the Bachelor degree of Liberal Arts from the University of Tokyo and the Master of Business Administration from Graduate School of Leadership and Innovation, Shizenkan University.
