What is Green Innovator Academy ?

未来を自らより良く変えようとする イノベーターを育成

**Fostering innovators
who are willing to change the future for the better.**

**経済と環境の好循環を生むイノベーターを 2030年までに1,000人育成する
プロジェクト。**

・This project aims to train 1,000 innovators by 2030 to create a virtuous cycle between the economy and the environment.

**熱意ある優秀な若者が、エネルギーを取り巻く世界情勢や産業構造を学び、
リーダーシップやセクターを越えた協働に必要な能力を習得するプロセスを提供し
ます。**

・This program provides a process for enthusiastic and talented young people to learn about the global situation and industry structure surrounding energy, and to acquire the skills necessary for leadership and cross-sector collaboration.

・Through lectures and dialogues with experts active on the front lines of various fields, acquire knowledge and leadership in the promotion of decarbonization
